**DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.**

## **OFFICIAL**

**CRIME PREVENTION TIP:** While traveling on commercial airlines don't let anyone but uniformed airline employees handle or watch your bags. A common ploy is to divert your attention while another party takes your bag, so beware of someone bumping into you or spilling a drink, these are known as "staged mishaps". When carrying your purse make sure it is zippered closed and carry it close to your body, men put your wallet in an inside front pocket. Avoid displaying expensive cameras, jewelry, and luggage that might draw attention. The best way to keep from becoming a victim is blend in with the crowd. Contact the Crime Tip Hotline at 861-6000 for anonymous reporting of criminal activity. SGS Resource Protection, Crime Prevention, 853-6072. (TA-G)

**EMPLOYEES PLANNING FOR RETIREMENT:** To make tentative annuity computations, verify creditable service, and process an application for retirement, employees considering retirement should assure that all military and civilian service has been properly documented in their personnel records. Although dates of military service may have been previously recorded and verified, these dates should be reverified so there will be no delay in the receipt of annuity checks. Employees who have had active military service should submit to Kathleen Ellis or Lisa Fowler, Retirement Counselors, Personnel Office Benefits Team (BA-B), copies of their military discharge papers, DD 214, or other documents showing the beginning and ending dates of active service. Employees who do not ensure that all active duty military service is properly documented may experience a delay in the receipt of full annuity payments from OPM upon retirement from civil service. Contact Kathleen Ellis at 867-2002 or Lisa Fowler at 867-1883, Headquarters, Room 2506. (BA-B)

**NEW HORIZONS DRAFT ENVIRONMENTAL IMPACT STATEMENT PUBLIC MEETINGS AT FSEC:** On 3/29 & 3/30 The National Aeronautics and Space Administration (NASA) announced the availability of the Draft Environmental Impact Statement (DEIS) for the New Horizons Mission for public comment on February 25, 2005 (70 Federal Register 9287). This Notice of Availability is also available in the legal notice section of today's newspaper. The public comment period will end on April 11, 2005. The proposed New Horizons mission would explore Pluto, its moon Charon, and possibly one or more objects within the Kuiper Belt. The DEIS addresses alternatives and the potential environmental impacts associated with preparations for and implementation of this proposed mission. NASA will hold two public meetings on the DEIS: March 29, 2005 at 6:00 pm. and March 30, 2005 at 1:00 pm. at the Florida Solar Energy Center, 1679 Clearlake Road, Cocoa, FL, (321) 632-1111. The meetings will begin with informal discussions with NASA representatives, and will be followed by brief NASA presentations and an opportunity for oral public comments. Written comments will be accepted anytime during the meeting. Requests for a hardcopy version of the Draft EIS and written comments may also be submitted by U.S. mail or electronic mail to: Mr. Kurt Lindstrom, Mail Stop 3K39-A, Mission and Systems Management Division, Science Mission Directorate, NASA HQ, 300 E. Street, NW, Washington, DC 20546-0001, or ([osspluto@hq.nasa.gov](mailto:osspluto@hq.nasa.gov)). The Draft EIS is also available at <http://spacescience.nasa.gov/admin/pubs/plutoeis/index.htm>.
